

Residents of Clarkson, Hillcrest & Whiteoaks/Lorne Park
are invited to a

Town Meeting

to discuss as a community:

ANOTHER CELL TOWER TO BE CONSTRUCTED ON LORNE PARK ROAD – HOSTED BY CN RAIL

Learn the Risks - Protect Your Children

Monday October 15, 2012
Lorne Park Secondary School

1324 Lorne Park Road, Mississauga, ON L5H3B1
7pm-9pm

INVITED SPEAKER: Wendy Hoy of Wendy Walks for ES

Why would a grandma walk 800 km from Port Franks to Ottawa? As she passes through Mississauga, she will share her story with Lorne Park residents and raise awareness about electro-sensitivity, which can occur from exposure to cell tower radiation

Agenda:	7:00-7:15	Kelly Wash, Concerned Citizens for Clarkson/Lorne Park
	7:15-7:30	Health Effects of Living Beside a Cell Tower
	7:30-7:45	Wendy Hoy – Electro-sensitivity (ES)
	8:00-8:15	Wendy Perkins, Citizens for Safe Technology
	8:15-8:30	Actions to Date on Public Mobile Cell Tower on Lorne Park Road
	8:30-9:00	Open Discussion & Comments on Further Action

Invited Guests:	Rob Anderson, Public Mobile
	Stella Ambler, Conservative MP, Mississauga South
	Charles Sousa, MPP, Mississauga South
	Pat Mullin, City of Mississauga, Ward 2
	Lindsay Fedchyshyn, Public Affairs, CN Rail
	Chris Clay, Mississauga News

Radiation adversely affects our health more than you know (see Dr. Magda Havas video below)
